

Thank you for considering partnering with us for the 4<sup>th</sup> annual Lungbuster 5K Fun Run to raise money for research into ROS1 positive cancer. Our Lungbuster nonprofit was established in honor of Amie Parker, a healthy non-smoker who was diagnosed at the age of 44 with non-small cell lung cancer. Lung cancer is the leading cause of cancer related deaths in the United States, yet receives only a fraction of the funding and attention of other cancers. Most of us are unaware that the fastest growing demographic of new lung cancer cases is in women who have never smoked. A woman in the U.S. might know her risk of breast cancer is 1 in 8, but not aware there is a risk of lung cancer at all if she's never smoked.

Never-smokers' lung tumors tend to show one of a handful of gene mutations. Amie's cancer is caused by a mutation known as ROS1. ROS1 gene mutations account for just 1-2% of lung cancers. This small patient population makes it difficult to convince researchers to focus on the ROS1 mutation. Enter the ROS1ders – an advocacy group dedicated to help move ROS1 cancer research forward. All proceeds from our Lungbuster 5K go to this group's ROS1 cancer research fund. In our first three years, the Lungbuster race has raised more than \$50,000 in support of lung cancer research. Sponsors like you are an important part of that success and we hope you will join us for the fun this year!

The Lungbuster 5K is a hyper-local event with a global impact. During the 2018 and 2019 live events we had over 300 participants and 50 volunteers, the majority of which live in Mukilteo, Everett, Lynnwood and Edmonds. In 2020 our 5K went virtual with over 200 unique online visitors in a two-week span. Your sponsorship means YOUR business is promoted in YOUR community!

Lungbuster is a registered 501(c)(3) non-profit organization, EIN #82-3508550, and your donations may be tax-deductible. We understand the pandemic has hurt business. We appreciate your consideration in these difficult times and would be delighted to have your support for our Lungbuster 5K on Sunday, October 3<sup>rd</sup>, 2021.

Sincerely,  
The Lungbuster Team
